Town News

JOIN THE CENSUS COMMITTEE

The Town is seeking volunteers to serve on its U.S. Census Complete Count Committee, which will inform residents about the importance of completing the 2010 Census. Federal dollars to the Town are based on the Town's population. If you would like to serve, call Town Hall at 954-776-0576.

SEA TURTLE WORKSHOP

The Town will host a sea turtle lighting seminar in February to help educate condo residents and business owners about the need to shield or turn off beachfront lights during sea turtle nesting season (March 1-Oct. 31). The workshop, sponsored by Broward County and the Florida Wildlife Commission, is on Feb. 10 at 1 PM in Jarvis Hall.

CANDIDATE FORUMS SET

The League of Women voters will moderate candidate forums on Feb. 16th and 25th at 7 PM in Jarvis Hall for the Town Commission candidates in the March election. If you wish to submit any questions, please e-mail them to csmith@att.net.

All the questions submitted will be forwarded to the league. Questions can also be mailed to Town Hall, 4501 Ocean Drive, LBTS, 33308. Please note: The Town does not accept anonymous letters.

Town seeks Florida grant to help establish underwater marine park

The **Town Commission** directed the administration to apply for a state grant to establish a protected **underwater marine park** south of **Anglin's Pier** to help protect coral reefs while also helping increase tourism in the Town.

The Town applied for a **\$20,000 matching grant** from the **Florida Department of Environmental Protection** in November after **Cry of the Water**, a Fort Lauderdale environmental group, made a presentation to the Commission suggesting the Town create the new park.

If the grant is approved, the funds will be used to help establish the **Lauderdale-By-The-Sea Marine Park**. It would become the newest marine park in the state and the only one located north of Biscayne National Park, which is off Homestead.

Cry of the Water suggested the Town's marine park, which would stretch from 300 feet south of the pier south to Palm Avenue, be a voluntary no take zone where divers would be encouraged not to catch lobster. The Town already has an ordinance banning scuba divers from spearfishing.

(See **PARK** on Page 4)

Residents responding to survey satisfied with most Town services

By a more than 2 to 1 margin, the **Town of Lauderdale-By-The-Sea** is a good place to live, according to residents who responded to a Town-wide survey.

Surveys were mailed to residents this year. Of the 182 residents who took the time to complete it, the majority were very satisfied or satisfied on issues ranging from fire protection to code enforcement.

As a place to live, 60 residents rated the Town as good. Five rated the Town as fair. Twenty-four rated the community as a poor place to reside.

The majority of respondents were very satisfied or satisfied with code enforcement, recreation, fire, police and EMS, municipal services, street and right-of-way maintenance, beach and park maintenance, as well as the Town's overall appearance.

Residents were almost evenly split on how well the Town communicated with residents. Thirty residents were dissatisfied or very dissatisfied with Building Department services, which is operated for the Town by Broward County; twenty-six residents, however, were very satisfied. □

BSO Town Hall forum informed residents on crime prevention

The Broward Sheriff's Office held a successful **Town Hall Forum** in November at **Jarvis Hall** to inform residents what they can do personally to help stop crime.

"We conveyed a lot of information," **Chief Oscar Llerena** said.

Chief Oscar Llerena

BSO wants all residents to enjoy a safe holiday season. Car break-ins and thefts traditionally

increase during the holidays -- in part due to the increase in cash carrying shoppers and unattended vehicles filled with gifts. Llerena said deputies will be out in force during the holiday season to make

COPS PROGRAM

sure holiday grinchs don't dampen your holiday spirit.

"During the hectic holiday season, it's easy to become distracted and forget to lock a vehicle filled with presents or leave a purse or wallet in a shopping cart", Llerena said. "We will utilize several different policing methods to increase our presence in the Town's commercial, dining and entertainment areas during the holiday season." ■

CRIME SAFETY TIPS

- Lock your vehicles and don't leave property in plain view.
- Park in well-lighted areas.
- Have your keys in hand when you walk to your vehicle.
- Be aware of persons or vehicles acting suspiciously as you travel home or other places.
- Shop with a companion or in a group.
- Limit the amount of cash and credit cards that you carry.
- Do **NOT** leave valuables unattended at any time.
- Report **ANY** suspicious activity by calling 911.

Questions? Please call the **BSO Lauderdale-By-The-Sea District Office** at **954-491-3920**.

YOUR PROPERTY TAX DOLLARS AT WORK

Out of your total **2009-10** property tax bill this year, **just 20.31** percent went for your **Town** taxes. The remaining **79.69** percent was distributed to other taxing authorities, including the Broward School Board, the Broward County Commission, the North Broward Hospital District and other local taxing authorities.

PARK (continued from Page 1)

Boaters would be prohibited from entering into the park, where anchors dropped onto the reef could potentially kill or damage federally-protected corals.

The proposed park would extend from the Town's shore east out to first reef.

Marc Furth Photo

Before officially establishing a marine park, the Town would hold a series of hearings seeking input from the public, divers, boaters and other stakeholders in the community.

The Commission voted 5-0 to support establishing the marine park and expressed optimism about its efforts being successful.

An attempt to create an underwater marine preserve between the Hillsboro Inlet and Port Everglades failed 10 years ago after the proposal became mired in controversy over the restrictions the preserves would have placed on boaters and divers.

The Town's efforts to create a marine park just off its shores is much more limited than the proposal that was defeated earlier. □
